

Volunteers at Daniel Webster are Priceless!

Daniel Webster’s success is heavily dependent on Parent Volunteers, and we want this year to be a success! So, whether you are a working or stay at home parent, we have a job to fit every schedule. **Our goal is 100% parent involvement** so please take a moment to review the open volunteer opportunities for the 2018-2019 school year below and indicate what areas you can contribute to. This will help us start a conversation about how we can all work together to best serve our school community! Please email [volunteers@danielwebster-sf.com](mailto:volunteers@danielwebster-sf.com) with contact info, child’s grade level, and areas you are interested in joining and someone will be in touch soon.
